

# **Are you, or someone you know, Métis and interested in employment with Ministry of Highways & Infrastructure (MHI)**

**GDI Training & Employment is assisting MHI to  
*Recruit Métis candidates*  
for Career Opportunities with the Ministry of Highways.**

The joint partnership effort is to recruit qualified candidates for the Diversity Initiative in the **Central** region of the province to assist preservation crews over the summer construction season.

GDI will assist Métis clientele to gain essential qualifications for job opportunities as outlined on the attached 2018 Central Region Diversity Initiative.

Two Diversity Roving Crews will be hired for the 2018 summer season for a total of 12 positions. The roving crews are comprised of a mixture of returning employees and new term employees.

**The impacted area for the Central region includes North Battleford, Saskatoon, & Yorkton area. All interested Métis clientele must provide an updated resume & possess essential employability skills for MHI interviews.**

**GDI will assist Métis clients to gain essential employability skills to meet industry standards.**
