Heavy Equipment Operator

Location: La Loche, Saskatchewan

Program Runs: August 9th – September 10th, 2021

Application Deadline: June 18th, 2021

Dumont Technical Institute is proud to be offering a Heavy Equipment Operator program in La Loche, Saskatchewan. This program will provide students with the practical and applied skills necessary to gain work as Heavy Equipment Operators.

Please submit resume and driver's license with application.

Program start dates and delivery methods may be modified or adjusted to ensure that DTI programs and services follow the direction, advice and guidance of the federal and provincial governments and Saskatchewan's Chief Medical Health Officer during this period of uncertainty resulting from the COVID-19 pandemic.
