## INDEPENDENT AUDITOR'S REPORT

To the Members:

### ***Opinion***

We have audited the financial statements of The Gabriel Dumont Scholarship Foundation II (the Foundation), which comprise:

- the statement of financial position as at December 31, 2024
- the statement of revenue and expenses for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Foundation as at December 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

Year ended December 31, 2024

---

### 1. Nature of operations:

The Gabriel Dumont Scholarship Foundation II (the "Foundation") was established by a Trust Agreement between Gabriel Dumont Institute of Native Studies and Applied Research, Inc. and the Trustees of the Foundation. The Trust Agreement was originally dated October 10, 1986 and was updated on March 1, 2000, May 10, 2002 and August 8, 2014. This Agreement specifies the restrictions under which the trust may be operated.

On April 1, 2000, the Foundation was incorporated and assets were transferred from the Gabriel Dumont Scholarship Foundation ("GDSF"), in accordance with the Trust Agreement.

The purpose of the Foundation is to devote itself to charitable activities of which the primary purpose is the advancement of education of Métis peoples in the Province of Saskatchewan. It is registered with Canada Revenue Agency as a charitable organization and is therefore exempt from income tax.

The Foundation is jointly controlled with Gabriel Dumont Institute of Native Studies and Applied Research, Inc. and its related entities, Gabriel Dumont College Inc., Dumont Technical Institute Inc., and Gabriel Dumont Institute Training and Employment Inc., as the Board of Governors of Gabriel Dumont Institute of Native Studies and Applied Research, Inc. are the same directors and the only directors of the controlled entities. These financial statements do not include the operations of these other entities.

### 2. Significant accounting policies:

These financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the CPA Canada Handbook.

#### (a) Use of estimates:

The preparation of financial statements in conformity with Canadian Accounting Standards for Not-For-Profit Organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Actual results could differ from these estimates.

# THE GABRIEL DUMONT SCHOLARSHIP FOUNDATION II

Notes to Financial Statements (continued)

Year ended December 31, 2024

---

## 2. Significant accounting policies (continued):

### (b) Revenue recognition:

The Foundation follows the deferral method of accounting for donation revenue. Restricted donation revenue is recognized as revenue in the year in which the related expenses are incurred. Unrestricted donation revenue is recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred revenue represents donation revenue received to be used for scholarships which have not yet been awarded.

Interest income from investments is recognized as revenue when earned.

### (c) Scholarships:

Scholarships are recorded as payable when the scholarships have been granted and the recipient has met all the requirements and obligations.

### (d) Cash and cash equivalents:

Cash and cash equivalents include bank indebtedness and balances with financial institutions which are highly liquid and have an initial term to maturity of three months or less.

### (e) Administrative services:

The Foundation may be charged for administrative services provided by Gabriel Dumont Institute of Native Studies and Applied Research, Inc. These charges are based on a percentage of interest and invested revenue, not to exceed 10%. An administrative fee has not been charged in 2024 or 2023.

# THE GABRIEL DUMONT SCHOLARSHIP FOUNDATION II

Notes to Financial Statements (continued)

Year ended December 31, 2024

---

## 2. Significant accounting policies (continued):

### (f) Financial instruments:

Financial assets and financial liabilities are initially recognized at fair value and their subsequent measurement is dependent on their classification as described below:

- Cash and cash equivalents and investments are classified as financial assets and are measured at fair value. Fair value fluctuations in these assets, which may include interest earned, interest accrued, gains and losses realized on disposal and unrealized gains and losses are included in revenue.
- Managed funds and restricted cash are classified as financial assets and are measured at fair value. Fair value fluctuations in these assets, which may include interest earned, interest accrued, gains and losses realized on disposal and unrealized gains and losses are included in the amount recorded in the statements of financial position with the corresponding increase in managed fund payable.
- Accounts receivable and accounts payable and accrued liabilities are measured at amortized cost.

Transaction costs related to financial assets subsequently measured at fair value are expensed as incurred.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

# THE GABRIEL DUMONT SCHOLARSHIP FOUNDATION II

Notes to Financial Statements (continued)

Year ended December 31, 2024

---

## 3. Financial instruments and risk management:

The Foundation, through its financial assets and liabilities, has exposure to the following risks from its use of financial instruments:

### Credit risk

The Foundation's principal financial assets subject to credit risk are cash and cash equivalents and investments. The carrying amounts of these financial assets on the statement of financial position represent the Foundation's maximum credit exposure at the statement of financial position date. No significant changes from 2023.

The credit risk on cash and cash equivalents and investments is limited because the counterparties are chartered banks with high credit ratings assigned by national credit-rating agencies.

### Interest rate risk

The interest-bearing investments have exposure to interest rate risk depending on prevailing market interest rates as interest-bearing investments are renewed. The risk is mitigated by the Foundation holding guaranteed investment certificates with maturity dates from 2025 to 2029. There have been significant increases in interest rates over the year, given the short duration of fixed income investments of 2.35 years, the impact is limited.

### Market risk

The Foundation is exposed to limited market risk on its common shares based on the volatility of the markets. No significant changes from 2023.

# THE GABRIEL DUMONT SCHOLARSHIP FOUNDATION II

Notes to Financial Statements (continued)

Year ended December 31, 2024

## 4. Investments:

	2024 cost	2024 Market value	2023 cost	2023 Market value
Cash	\$ 62,532	\$ 62,532	\$ 3,268	\$ 3,268
Guaranteed investment certificates	2,950,000	2,999,153	2,950,000	2,991,500
Money market	355,686	355,686	271,448	271,448
Common shares	400,011	462,141	400,133	422,872
	3,768,229	\$ 3,879,512	\$ 3,624,849	\$ 3,689,088

The guaranteed investment certificates have a weighted average interest rate of 4.06% (2023 - 3.67%) and a weighted average term to maturity of 2.35 years (2023 - 2.27 years).

Under the terms of the Trust Agreement, the objective of the investment portfolio is to preserve the capital base of the Foundation while maximizing current income to meet scholarship demand. The Foundation has established asset allocation and quality guidelines with respect to investments of the Foundation. Investments are to be allocated between cash and short-term investments (20% - 40%), fixed income securities (over one year) (60% - 80%) and equities (0% - 15%). The quality guidelines provide for minimum investment ratings, maximum limits for any individual investment, and limitations on the type of equity investments that may be held by the Foundation. At December 31, 2024 the Foundation's investment allocation consisted of cash and fixed income investments under one year of 18% (2023 - 19%); fixed income (including mutual fund savings accounts) investments of 70% (2023 - 69%) and equities of 12% (2023 - 12%).

All investment income from endowment funds is unrestricted and may be used by the Foundation for scholarships and administration of the Foundation.

# THE GABRIEL DUMONT SCHOLARSHIP FOUNDATION II

Notes to Financial Statements (continued)

Year ended December 31, 2024

## 5. Net assets restricted for endowment purposes:

Under the terms of the Trust Agreement, the capital base of assets restricted for endowment purposes is not to fall below \$3,244,105 (2023 - \$3,244,105) consisting of the following endowments:

### a) Gabriel Dumont Scholarship Program:

The Napoleon Lafontaine Economic Development Scholarship Program ("Gabriel Dumont Scholarship or GDS") was created in 1986 to encourage Saskatchewan Métis people to pursue full-time educational training in the fields of academic studies related to the development of the Métis peoples. This endowment amounts to \$1,040,000 (2023 - \$1,040,000).

### b) Gabriel Dumont Institute of Training & Employment Scholarship and Bursary Program:

The Gabriel Dumont Institute of Training & Employment Scholarship and Bursary Program ("GDITE") was created through the support of Service Canada and Gabriel Dumont Institute of Training and Employment Inc. In 2008, an endowment was established through a contribution from the Métis Aboriginal Human Resources Development Agreement to support Métis individuals who are improving their employment and educational realities. Total contributions to date are \$2,200,000 (2023 - \$2,200,000).

### c) Fiddler & Carriere Endowment:

In 2014, Gabriel Dumont Institute of Native Studies and Applied Research, Inc. transferred \$4,105 and the related administration responsibilities of the Fiddler & Carriere Endowment Fund to the Foundation. This endowment fund was originally created in 1980.

## 6. Managed funds:

The Foundation signed an agency agreement with The Métis Nation - Saskatchewan Secretariat Inc. to manage an endowment fund provided by Indigenous Services Canada in the amount of \$2,500,000. These endowment funds are to be used to support post-secondary education of Métis students. The fund is to be managed in accordance with the Federal Grant Agreement. Managed funds are held in a separate investment account specifically related to these managed funds.

Notes to Financial Statements (continued)

Year ended December 31, 2024

## 7. Related party transactions:

During the year, the Foundation had the following transactions with related parties. All transactions were recorded at the exchange amount, which was agreed upon between the related parties.

	2024	2023
<b>Revenues:</b>		
Donations:		
Gabriel Dumont Institute of Training & Employment	\$ 44,345	\$ 28,000
	\$ 44,345	\$ 28,000

During the year Gabriel Dumont Institute of Training & Employment provided funding of \$50,000 (2023 - \$350,000), of which \$44,345 (2023 - \$28,000) was recorded in revenue and \$582,000 (2023 - \$585,000) was included in deferred revenue as at December 31, 2024.

Certain administrative functions of the Foundation are managed by Gabriel Dumont Institute of Native Studies and Applied Research, Inc. at no charge, see note 2(e).

## 8. Deferred revenue:

Deferred revenue consists of donations from the following sources:

	2024	2023
Petro Canada	\$ 95,819	\$ 49,425
GDI T&E Basic Education	582,000	585,000
Belterra Corporation	500	1,000
Saskatchewan Innovation and Opportunity Scholarship (SIOS)	3,400	200
Farm Credit Corp.	5,640	6,640
Sask Gaming Casino Regina & Moose Jaw	-	1,500
Pencils of Hope	2,760	-
GDI T&E Emergency	45,655	37,000
UBC Press - Todd Joseph Memorial	1,500	-
	\$ 737,274	\$ 680,765
